CELEBRATING THE 2023 COMMUNITY CATALYSTS

LIEUTENANT GOVERNOR SABINA MATOS

NEIL STEINBERG

GRADUATE PROVIDENCE, 11 DORRANCE ST., 5:30-8:30 PM

Dear Friend,

For over three decades, ONE|NB has been innovating community development.

Together—with a diverse group of community partners, collaborators, and friends—we’ve built lasting structures to improve health equity and economic mobility in Greater Providence.

- We have created a direct pathway to health-sector careers via the community health worker apprenticeship program (rooted in our role as the backbone of Central Providence Opportunities: A Health Equity Zone).
- We established the state’s first free community WiFi network, bringing high-speed internet to over 2,600 Olneyville households.
- We partnered with Providence Revolving Fund to establish a community-controlled loan fund.
- We launched a participatory budgeting process for Central Providence residents to allocate \$1 million to improve health equity and economic mobility in their neighborhoods.

But even after 35 years of building communities, we are still just beginning.

We would be delighted if you could join us in celebrating ONE|NB’s first 35 years as an organization (and toasting to the next three decades) by attending our anniversary event at the Graduate Hotel on **Wednesday, May 24th at 5:30 PM**. It promises to be a lively celebration of ONE|NB’s past and future, including champagne toasts, hearty hors d’oeuvres, live music, and recognition of our 2023 Community Catalysts.

I would also like to invite you to be a part of the team to bring ONE|NB’s innovative and inclusive strategies for community development to life by supporting us as a 35th Anniversary Celebration sponsor. **Sponsoring ONE|NB’s work translates to increased affordable housing production, greater connection to resources to meet residents’ foundational needs, and more opportunities to build local power and realize systemic change.**

We hope we can count on your support as we celebrate this momentous milestone!

Best wishes,

Jennifer Hawkins, President & Executive Director
